The only Private Hospital open over Christmas and New Year
We offer care in Rehabilitation – Medical – Oncology / Palliative

A message from Linda Huxley our Hospital Director

I would just like to take this opportunity to thank you all for another successful and rewarding year at Manly Waters Private Hospital. On behalf of Macquarie Health Corporation, the Managers, Staff and myself, we wish you a very Merry Christmas and a happy and healthy New Year. Rehab or medical patients may be admitted under the care of their GP or one of our frequent user GPs and our staff will ensure that expert care is provided for your patients.

Rehabilitation

Over the past year our Rehabilitation patient numbers have increased greatly, and the rehab team has grown stronger with the addition of physiotherapist, Julie Ince. Dr Iain Rodger continues as our Rehab Specialist and has been with Manly Waters for four years.

Did you know we prepare all meals in our own kitchen?

All food is prepared on site, fresh fruit and vegetables are used and special diets catered for. Patients can select from our daily menu and enjoy a glass of wine with dinner.

Our kitchen is fully licensed with the NSW Food Authority.

A message from Cath O' Dwyer our Oncology Nurse Consultant

During the past 18 months I have found working with the patients and our great team at Manly Waters a very rewarding and fulfilling experience. It is a pleasure to have the opportunity to care for the local community who so need our convenient service. I would like to wish our Patients, Doctors and Colleagues a very Happy Christmas
