lowest infection
rates in Sydney

People Community & Care

Manly Waters Private Hospital is situated in a quiet street overlooking Manly Cove and has provided health services to the Northern Beaches Community for over thirty years. We offer a range of services, including

Surgical, Rehabilitation, Oncology and Palliative Care Services.

Manly Waters Private Hospital is accredited and has agreements with all major health funds and Veteran's Affairs.

Free Eye Health Seminar

As part of our dedication to health promotion to the Veteran and wider community, Manly Waters has been providing Free Health Seminars for over ten years. Our recent Eye Health Seminar was held at the Warringah Mall Community Rooms in co operation with Manly Mayor, Councillor, Jean Hay, it was attended by over 200 people, plus displays booths from Glaucoma Australia, Vision Australia, Guide Dogs Association NSW, Macular Degeneration Foundation and Audio Read. Our highly experienced and dedicated Ophthalmologists spoke about Glaucoma, Cataract Surgery and Macular Degeneration. An informative morning was had by all and we enjoyed a splendid morning tea sponsored by Alcon Lab.

Supporting Pink Ribbon Day

This October, Cancer Council's **Pink Ribbon Day** is your chance to help raise money and awareness for all Australian women affected by breast cancer. We encourage women, to be educated about screening and to invest in their health more seriously.

If you are receiving cancer treatment Manly Waters Private Hospital Cancer Service can provide your chemotherapy without the stress of hours of travel or parking difficulties? Our aim is for you and your loved ones to be relaxed, confident and feel supported throughout your treatment. Just ask your doctor or direct enquires to our Oncology Nurse Consultant Cath O'Dwyer or Hospital Director Linda Huxley by phoning 9977 9977.

Age-related cataract is responsible for 48% of world blindness. In Australia we have the benefit of high technology cataract surgery
