## Winter 2013 Edition Newsletter page 2...

### Our NEW gym is in full swing

### Hydrotherapy pool

## Day Rehabilitation Programs

A new service to Manly Waters, we are very pleased to introduce you to our new Rehabilitation Specialist, Dr Fariborz Jashnany, Day Rehabilitation Head Physiotherapist, David Shearer and Occupational Therapist, Belinda Spatt.

Dr Fariborz Jashnany shall be caring for your Day Rehabilitation patients and shall also assist Dr Iain Rodger when required with our in-patient Rehabilitation.

Our Therapists each have a range of specialist skills in treating people with neurological, cardio-respiratory, musculoskeletal / reconditioning, orthopaedic conditions and falls prevention.

Transport arrangements can be made through Manly Warringah Community Transport. We are also conveniently on the Hop, Skip and Jump Community bus route.

Patients do need a referral and the sessions may be free of charge if they are covered by a health fund or DVA. On completion of the Day Rehabilitation Program the referring doctor will be provided with the patient's outcome details. Please see our website for the Day Rehabilitation referral form.

To book sessions please call our Clinical Services Manager, Kerri Clare or Head Physiotherapist David Shearer on (02) 9977 9977
