Are Our Rehabilitation Specialists in your Medical Directory ?

Dr Iain Rodger - Inpatient Rehabilitation, Dr Fariborz Jashnany - Day Only & Inpatient Rehabilitation
NB: Manly Waters Private Hospital contact details below

Looking after our patients and their families is our number one priority. We have asked a patient to share their experiences at Manly Waters Private Hospital:

I would like to take this opportunity to thank David and his amazing team for the fantastic service they provided during my rehab. Being only 35 and having both hips replaced I was keen to get back on the move and chasing my 18 month old son as soon possible.

I couldn't have been more happy that I ended up at Manly Waters. The team there is not only extremely professional and great at what they do, but they are also very caring and helpful.

I would be more than happy to not only recommend the day rehab team but to talk to anyone about my experience there.

Thanks again, Scott
