WATERS

NEWSLETTER

Hello and welcome to our Summer 2012/13 Edition Newsletter...

LINDA HUXLEY, HOSPITAL DIRECTOR'S MESSAGE:

I would like to take this opportunity to say thankyou for a very successful 2012 to our staff, doctors, referring hospitals, especially our local hospitals Manly and Mona Vale Hospital, the Northern Beaches ancillary services and most importantly our patients. On behalf of Macquarie Health Corporation, the Managers and our Staff, we wish you a very Merry Christmas and a Happy and Healthy New Year.

As always we are open over Christmas and the holidays. Rehabilitation and medical patients may be admitted under the care of their GP (if accredited to the hospital) or one of our "frequent user" GPs. Our staff will ensure that expert care and caring is provided to your patient.

Our building works are now FINALLY getting close to completion. The new Day Rehabilitation facilities and private rooms are spacious, modern and beautiful. They will be open in early 2013 and we are planning a special opening event, which all referrers, providers and of course our very tolerant staff will be invited to celebrate!

OUR NEW DAY REHABILITATION SERVICES

The aim of Day Rehabilitation is to provide treatment for those patients who are recovering or require reconditioning. These may be patients who have experienced loss of function due to a prolonged hospital admission, disability, illness, inactivity or injury and now not requiring in-patient care.

We look forward to providing you these programs as soon as our gym and hydrotherapy pool are completed. Do not hesitate to phone me if you would like to discuss these new services further.

Thankyou,
Linda

DAY REHABILITATION PROGRAMS

Regain your independence & fitness

New Gym & Hydrotherapy Pool

Have you been ill, had a fall or been in hospital?

Our Physiotherapists can tailor hydrotherapy & gym sessions to your individual needs. Sessions are free of charge if you are covered by health insurance or DVA. Please see your doctor for a referral

For session times & bookings call our clinical services manager

FURTHER EDUCATION 2012 REVIEWED...

PENINSULA ORTHOPAEDICS

Thankyou from Manly Waters!

Our Physiotherapists have enjoyed attending the monthly lectures held with the Orthopaedic Surgeons and have found the topics very relevant to our case mix.

STAFF IN-SERVICE PROVIDED 2012

Some highlights apart from our regular training and assessments in CPR, Manual Handling and Fire Evacuation Drills are important topics such as: Palliative Care, Diabetic Diets & Patient Nutrition, Pathology Collection, Blood Transfusions, MACARF Program - Cardiac Failure, Infection Control Updates – Prevention & Management of Gastro Outbreaks, Pharmacology – Drugs used to treat Hypertension, Maintaining / Improving & Self Management of Diabetes, Introduction & Implementation of the National Health Care and Safety Standards, monthly lectures provided by Debbie Rayfield, founder of The Fountain Centre Services and her special team of professionals who provide reflexology, remedial massage and lymphatic drainage to our palliative patients.

GP SEMINARS (CPD)

We have had an excellent attendance at our GP Talks in 2012 and we look forward to hosting more informative and innovative Workshops from our Specialists for local GPs in 2013. We welcome topic suggestions.

INFECTION RATE CONTROL UPDATE

We are very proud of having the highest standards of infection control. This is achieved by education, strict processes and adherence to NSW Health guidelines. We welcome Catherine Wade from Healthcare & Infection Prevention Consulting who joined us earlier this year

NEW OPHTHALMOLOGIST

We welcome Dr Freny Kalapesi, Ophthalmologist and Ocular Plastic Surgeon to our expert “Eye Team” with our Ophthalmologists Dr James Smith and Dr Simon Irvine.

Dr Kalapesi has a subspeciality training from the United Kingdom in eyelid surgery, watery eyes, strabismus, orbital surgery as well as cataract and general ophthalmology.

Dr Kalapesi commences operating at Manly Waters in December 2012. See photo below:
