#### Oncology Update – *Cath O’Dwyer Oncology Nurse Consultant*

Our Oncology Service can administer all therapies including blood products and care for all venous access devices.

Cath came to us from the UK with over 15 years experience in Oncology and Cath or Linda Huxley our Hospital Director is available to speak with you or your patient throughout their treatment.

We are dedicated to support and advise patients and their carers on all aspects of their cancer journey.

#### Tenth Annual Free Health Seminar – *for the Local Community and War Veterans*

**Dr Jonathan Page**, Medical Oncologist, spoke about Cancer Prevention and Treatment and **Dr Khim Tew**, General Surgeon from Delmar Private Hospital spoke on Melanoma and Breast Cancer. This year’s seminar was a great success with 150 attendees in the auditorium at Dee Why RSL club, which provided an excellent environment for the networking of the following groups who attended.
